1. Mr. and Mrs. Smith have one son and one daughter. The son's name is John. The daughter's name is Sarah. The Smiths live in a house. They have a living room. They watch TV in the living room. The father cooks food in the kitchen. They eat in the dining room.
2. Every year we go to Florida. We like to go to the beach. My favorite beach is called Emerson Beach. It is very long, with soft sand and palm trees. It is very beautiful. I like to make sandcastles and watch the sailboats go by. Sometimes there are dolphins and whales in the water!
3. Every morning we look for shells in the sand. I found fifteen big shells last year. I put them in a special place in my room. This year I want to learn to surf. It is hard to surf, but so much fun! My sister is a good surfer. She says that she can teach me. I hope I can do it!
4. The house has two bedrooms. Sarah and Jack sleep in the bedrooms. They keep their clothes in the closet. There is one bathroom. They brush their teeth in the bathroom. The house has a garden. Jack and Sarah play in the garden. They have a dog. John and Sarah like to play with the dog.
5. Good morning, I'm John. I have a younger brother. He just started high school. He is 14 and lives with my parents. They live on Mulberry Street in Boston. Sometimes they visit me in New York. I am happy when they visit. My Mom always brings me sweets and candy when they come. I really miss them, too!

6. We live in houses that have a few different rooms

Each room has a different use, for example:

The bedroom, where we sleep, the kitchen where we cook our food, the dining room where we spend our evenings looking at the television, sometimes with our relatives and friends when they visit us.

7. We live in a very nice house. Sometimes my sister plays the piano, my favourite composer is Chopin, and I listen while I drink a coffee

The rivers and the lakes are also part of nature's beauty as well as the deep ocean.

I spend my holiday in mountain, where I meet my friends, and during the day we can see on the horizon the Mount Rosa

8. I am a student and I have a lot of subject to study, and they are not easy.

I study two foreign languages, English and French. They are not easy to speak, but they are interesting, and our teachers explain them very well.

I have six lessons in a day, three in the morning and three in the afternoon. Then I study at home one or two hours.

9. I like to play in the snow with my little brother Greg. It is always something special when we have the first snow. Greg and I go outside early in the morning and we build a snowman in our garden. Our neighbour gives us an old black hat for the snowman to wear. Our mum gives us buttons for his eyes and a carrot for his nose.

10. Alison is visiting Uncle Ben at his house at the beach. It is a beautiful summer day. Alison builds a big sandcastle and Uncle Ben takes a picture of the castle and he sends it to Alison's parents. Later, Alison and Uncle Ben go swimming in the ocean. They really like swimming! Then they go home, and Uncle Ben cooks pasta for lunch
